

MX-24 MINI

DIMENSIONS

Weight: 0.6 lb / 0.27 kg

DESCRIPTION

This is the smallest, most compact of the 2 Portabrace cases available for the MIX-PRE and FP24 mixers. Carry it over the shoulder using the suede leather strap or wear it on your belt or the optional Portabrace VB-10 or BP-2B. The pocket is large enough for small wireless mics (eg. Sennheiser and Azden). The cases are padded and custom fit, providing access to switches, cables, batteries, and other important controls while protecting the gear from rain, snow, dust and other damaging forces. (Unlike the MX-24, this case does not attach to the Portabrace Audio case.)

EQUIPMENT COVERED

Shure FP24
 Sound Devices Mix Pre

PRODUCT BENEFITS

- Customizable solution
- Durable, 1000-denier Cordura
- Engineered for professionals
- Lightweight
- Superior performance through simplicity of design
