

MX-302 MINI

DIMENSIONS

Weight: 0.7 lb / 0.32 kg
 Exterior:
 4" x 8" x 7"
 10.16cm x 20.32cm x 17.78cm

DESCRIPTION

This is the smallest, most compact of the two cases available for the 302 mixers. Carry it over the shoulder using the suede leather strap or wear it on your belt (or the Porta Brace belt: VB-10 or BP-2B) The pocket is large enough for SMALL wireless mics. (Example: Sennheiser, Azden) The cases are padded and custom fitted, providing access to switches, cables, batteries, and other important controls while protecting the gear from rain, snow, dust and other damaging forces. (Unlike the MXc-302, this case does not attach to the Portabrace Audio case.)

EQUIPMENT COVERED

Sound Devices 302

PRODUCT BENEFITS

- Customizable solution
- Durable, 1000-denier Cordura
- Engineered for professionals
- Lightweight
- Superior performance through simplicity of design
