

MXC-442

DIMENSIONS

Weight: 2.3 lbs.

DESCRIPTION

The MIXER CASE COMBINATION is a modular case, which can be ganged with many Porta Brace Audio Recorder Cases (AR-series). The modular design gives you the flexibility to change the combination of equipment that each job demands. The cases are padded and custom fitted, providing access to switches, cables, batteries, and other important controls while protecting the gear from rain, snow, dust and other damaging forces. The Suede leather shoulder strap and the detachable RM-Multi case are included. (Be sure to use the adhesive backed Velcro inside the case for proper fitting).
